Paan Singh Tomar is an untold true story of a simple farmer, a loyal soldier and a champion athlete who became one of India's most dreaded dacoits! A small town lad who went on to win the steeplechase at the Indian National Games for 7 consecutive years & broke the national record, a feat that was unsurpassed for 10 years!

A series of life changing events however forced Paan Singh to give up athletics, pick up the gun and become the scourge of the infamous Chambal valley in central India. Filled with deep emotions and incredible twists, Paan Singh Tomar is a gritty, no holds barred action adventure set in the heart of India's gangland, Chambal.
